Thinning:

- Standard (refractive index 1.5)
- Thin (refractive index 1.6)
- Super thin (refractive index 1.67)
- Ultra thin (refractive index 1.74)

Line of sight:

- Classic
- Advance
- Premium
- Deluxe+

Additional requirements:

- None
- Blueblocker
- Photochromic lenses
- Sun lenses

After completing the form above:

- Send the glasses by registered post without freight collect to our address: **Adrial d.o.o., Pod kostanji 6, 1218 Komenda, Slovenia**
- Please include this form in the package, as well as the prescription that must not be more than 1 year old.

When we receive your package, a new order for spectacle lenses will be placed. You will receive the order confirmation and the payment amount by e-mail. The order price includes the spectacle lenses price indicated on our website and the shipping costs. The processing time is 3-7 working days.

WARNING:

Old frames are more sensitive than new ones; hence, we are not responsible for any damage upon installation of new spectacle lenses.
